Summary

Impact-driven Chartered Accountant and Company Secretary with 8.5 years of experience leading initiatives in digital transformation, FP&A, internal audit, and financial analytics. As a financial expert and analytical thinker, I thrive on driving impact, enabling smarter decisions, and continuously evolving as a strategic partner to the business.

Professional Experience

Lead - Analytics | Tata Consultancy Services Limited | Mumbai

- Led a team of 8 in driving **digital transformation within FP&A** by implementing standardized digital reporting using **Qlik Sense and Power BI**, reducing manual reporting time by **80%**.
- Developed and implemented **20+ interactive dashboards** spanning finance and non-finance functions eliminating information asymmetry and streamlining monthly and quarterly reviews across 50+ business units.
- Conceptualized and delivered a **CFO Cockpit dashboard** covering **50+ lead and lag indicators**, resulting in a **50% faster decision cycle** through automated alerts and real-time insights.
- Partnered with the CFO's office to lead **cross-functional initiatives**, leveraging business intelligence tools and implemented data-driven strategies that optimized working capital and **improved net profit margins by 100bps**.
- Empowered **200+ finance users to adopt self-service analytics** by building scalable, user-friendly dashboards cutting delivery time from **3 weeks to 2 days** and fostering a strong culture of data-driven decision-making across the function.

Assistant Manager – Risk Analytics & Internal Audit | Tata Consultancy Services Limited | Mumbai

- Led **global quarterly audits** across finance functions **handling transactions worth ₹2,00,000 crore annually**, strengthening compliance, controls, and cross-regional financial governance.
- Identified control gaps in global payroll processes leading to financial leakage; recommended corrective measures to address “Leave Without Pay” discrepancies, **resulting in ₹10 crore in cost savings** and improved payroll accuracy.
- Automated **100+ risk scenarios** for Continuous Control Monitoring, accelerating issue detection and reinforcing enterprise risk management.
- Part of the core team recognized with the **Future CFO Excellence Award 2023** by CXOciety, Singapore, for digital audit transformation using in-house analytics capabilities.
- Led **SOX IFC audits** across revenue functions, identified key control gaps, and conducted workshops to elevate audit quality and compliance awareness.

Senior Executive – Financial Planning & Analysis | Tata Consultancy Services Limited | Mumbai

- Managed end-to-end **MIS reporting** for business units with **₹1,20,000 crore in annual turnover**, delivering insights on revenue, cost, and margins to drive strategic decisions and financial control.
- Built Qlik Sense-based **financial benchmarking reports** to analyse key metrics, enabling leadership to identify gaps and drive cost and performance improvements.
- Automated recurring manual processes in Revenue and Related Party Transactions using R and Python, **saving 8 man-days per quarter** while enhancing accuracy, consistency, and audit traceability through structured logging and validation.
- Digitized **T+1 business review decks for 50+ units**, enabling real-time insights and faster, data-driven decision-making for senior management.

Executive – Compliance & Internal Control | Tata Consultancy Services Limited | Mumbai

- Digitized and managed **300+ Letters of Authority** by evaluating delegation frameworks based on role, risk, and compliance, enhancing governance, accountability, and audit readiness.
- Revamped **LOA issuance process**, reducing average turnaround time from 7–10 days to less than 24 hours, **increasing process efficiency by 90%**.

Education
