Summary

Dynamic, results-driven leader, LSSGB certified, with 7+ years of experience in Operations, Project Management and Strategic Planning. Recognized for critical thinking, process optimization skills and for driving continuous improvement.

Professional Experience

Manager – Engineering, Operations | Pernod Ricard India (P.) Ltd. | Hooghly

- Served as the Pillar-Lead of the Core Team for developing a 3-year operational strategy for the unit, aimed at achieving increased capacity & productivity using the Hoshin Kanri management model.
- Led the Asset Care Pillar, implementing OWS on Manager-Model Line & LWE methods & served as additional Safety IC for the unit in its mfg. excellence (PRIME) journey leading to an improvement in overall plant score.
- Delivered infrastructural projects like UPS deployment with integrated power distribution system for critical loads – leading to an OEE increase of 1.2% increase and productivity related savings of INR 2.5 – 3.5 Lacs per annum; spearheaded the revamp of office infrastructure including deployment/revamp of IT/OT infrastructure, a project worth INR 1.5 Cr.

Assistant Manager – Engineering, Operations | Pernod Ricard India (P.) Ltd. | Bhubaneswar

- Delivered state-of-the-art Greenfield manufacturing facility at Odisha, a project worth INR 70 Cr. aimed at adding capacity, as per agreed project cost and timeline.
- Delivered BoP projects including system & capacity design; led the deployment of IT/OT systems and modernistic office infrastructure (project value ~INR 1.08 Cr) as a part of the facility development.
- Spearheaded seamless startup and quick stabilization, commissioning all SKUs by Sep'23 & delivering OEE of 66.25% by Mar'24; planned phase-wise startup for 2-shift operations with optimized line manning and SKU planning.
- Steered the stabilization of NPI on 240BPM auto-line shifting from 120BPM semi-auto line consequently catering to a raise in overall demand of 25% through capacity utilization of the existing facility.
- Led 'Cost & Efficiency' projects at unit on labour productivity (Deployment of multitrack and EBIs, OSC Reuse conveyors) and energy efficiency (VRF zoning, optimizing Street Light operation) to control loads and reduce consumption.
- Led on-site digitization projects - digital gate control systems, IIOT monitoring, asset care, and digital dashboards and supported the implementation of Paperless Warehouse at unit.

Executive – Engineering, Operations | Pernod Ricard India (P.) Ltd. | Bhubaneswar

- Spearheaded the on-time delivery of 2 projects – a Brownfield Facility for adding capacity (project value ~INR 66.7 Lacs) & an External Warehouse for 15.33% increased inventory capacity (project value ~INR 30.7 Lacs) to maximize production capacity utilization and cater to 25% hike in market demand.
- Delivered CapEx projects worth INR 1.1Cr leading to improvement in Site Hygiene Index by 5% as targeted and Site Safety Index by 25% and a reduction in first aid cases by 60% during FY21.
- Collaborated with multiple stakeholders to ensure quick turnaround and restoration of unit operation in the aftermath of cyclone FANI.
- Implemented maintenance best practices (SMED, racking systems) ensuring reduced downtime and changeover times resulting in OEE by 12.07% & productivity by 10.95% in FY19.

Graduate Engineering Trainee, Operations | Pernod Ricard India (P.) Ltd. | Bhubaneswar

- Responsible for improved operational efficiency through increased uptime implementing monthly PMS, detailed downtime analysis and creating critical spares inventory for A-class machinery
- Coordinated the infrastructure readiness for IR Rum operations on schedule, including pipeline and filter installations under supervision.

Education

B.Tech. in Mechanical Engineering – *Institute of Engineering and Management, Kolkata | India*

Accomplishments

- Winner of Quarterly Kaizen competition - Q1 FY25
- Awarded “Pride of the Unit” for active role in startup of new Greenfield Facility and closure of old units
- Stood 1st in the East Zone and 8th at All-India level at “Kaho! What’s Your Idea”

Certifications

Lean Six Sigma Green Belt, KPMG.

Extra-Curriculars

- Student Chairperson of the SAE Collegiate Club-IEM
- Team Captain of Team Eklavya, which participated in ESVC-2016 organized by ISIE
