Summary

Impact-oriented security and operations leader with 4+ years of experience across border management, internal security, digital transformation, and community development in high-stakes, resource-constrained environments. Proven record of leading 136-personnel multidisciplinary teams, driving intelligence-led operations, and delivering measurable outcomes through multi-agency coordination and process digitisation. Backed by a strong research foundation in chemistry, with peer-reviewed publications in materials science.

Professional Experience

Assistant Commandant | Sashastra Seema Bal (SSB), Ministry of Home Affairs | Multiple locations

Security & Border Operations

- Directed multi-agency security operations (Army, CRPF, police) for the Amarnath Yatra, ensuring safe movement of 230,000+ pilgrims (2024) and 200,000+ pilgrims (2023) across high-risk J&K terrain.
- Led 2 major counterfeit-currency (FICN/FNCN) operations worth ₹17L and ₹53L, driving an 80% drop in fake-currency cases over 3 years through ground-level intelligence and multi-agency coordination.
- Intercepted 320+ kg of illegal cannabis, disrupting a key distribution chain and an organised trafficking network across multiple jurisdictions.
- Spearheaded investigative operations resulting in the rescue of 6 human trafficking victims in a single operation.
- Cut liquor-smuggling cases by 30% over 3 years across 80+ border villages through the Nasha Mukta Bharat Abhiyan.
- Managed security and law & order across a 162+ km² border area and 10.8 km porous Indo-Nepal border.
- Directed election security for 150,00+ voters in Kondagaon, an LWE-affected district, with zero security incidents; commended by the SSP, Kondagaon.

Technology & Digital Transformation

- Leveraged ISRO's COP and B-OPS GIS-integrated platforms to identify high-risk smuggling corridors; led 35+ anti-smuggling operations with ₹1.2 Cr+ in cumulative seizures.
- Implemented an ANPR-enabled digital clearance system at the Indo-Nepal border, cutting vehicle processing time by 70% and raising throughput by 50%.
- Developed data-driven SOPs for the Trade & Transit Route, cutting document clearing time more than ~40% for 15,000+ daily commuters.
- Led digitisation of criminals-activity records of 100+ revenue villages, achieving 70% digitisation for 280,000+ residents.

Finance & Procurement

- Managed ₹80L in end-to-end procurement via the Government e-Marketplace (GeM) as Provisioning Officer, reversing a 7% budget lapse to zero (Nov 2024–Apr 2025).
- Audited ₹1.1 Cr in annual expenditure, identified ₹9.8L (8.9%) in accounting discrepancies, and recommended controls to strengthen fiscal accountability over 2 years.
- Led disposal of government stores worth ₹50L+ annually, cutting asset-management error by 8% through digital tracking.

People Management & Training

- Led annual operational and tactical refresher training for 1,100+ personnel across multiple deployments.
- Maintained zero accidental-discharge incidents and 100% serviceability across a 150+ weapon arsenal; rated Outstanding at Frontier-level inspection.
- Cut grievance-resolution turnaround time by 50% (~30 days → under 14 days), achieving a 90% closure rate via a formal redressal system.
- Supervised the recruitment of Physical Efficiency Test (SSC-CPO, Bhopal) for 4,200 candidates with zero errors.

Community Development & Social Impact

- Designed community development programs benefiting 10,000+ individuals through healthcare camps, vocational training.
- Led plantation drives with GPS geo-tagging of 6,000+ saplings, achieving a 40% survival rate in challenging border terrain.
- Delivered interactive sessions on AI and digital content creation to 700+ students (Grades 8–12) across 8 schools in Bihar.
- Partnered with Nobel Peace Prize-winning NGO Bachpan Bachao Andolan, preventing 15 child marriages and rescuing 27 child-labour victims.

B.Sc. (Chemistry) – Sri Venkateswara College, University of Delhi, New Delhi | *India*

Accomplishments and Awards

- **Secured Second Position** nationally in IIT-JAM Chemistry 2016.
- Received an **appreciation letter** from the Officiating Commandant for leading operations behind an **80% drop** in fake-currency cases.
- Received a commendation from the SSP, Kondagaon, for exemplary election-duty performance in an LWE-affected district.
- Presented **peer-reviewed research paper** at IWAM 2019, UAE.
- Received the Babu Matru Prasad Scholarship at JNCASR.
- **Published** "Covalently Bonded MoS₂–Borocarbonitride Nanocomposites Generated via Surface Functionalities on Nanosheets and Their Remarkable HER Activity"— **The Journal of Physical Chemistry C, 2017**
- **Published** "Li and Na-ion Diffusion and Intercalation Characteristics in Vertically Aligned TiS₂ Nanowall Networks Grown via Atomic Layer Deposition" — Materials Research Express, 2019.
- **Published** "Photochemical HER Activity of Semiconducting 2H and Covalently Linked 2D Structures and Stable Metallic 1T Phases" — Journal of Chemical Sciences, 2018.
- **Published** "A Study of Two-Dimensional PbFCl and BaFCl" — Bulletin of Materials Science, 2020.

License & Certifications

- **AC Commando Course**, Team Building & Leadership Training, SSB (8 weeks)
- **Crisis Management** and Conflict Resolution, SSB
- Master Trainer, Karmyogi Course (Oct 2025)

Co/Extra-curricular

- **Founded and organised** the Majorganj Marathon (8 km community run) 2 editions (Jun & Dec 2025), **480+ participants** each, with **35% women's participation**.
- **Volunteered** with Swachh Bharat Abhiyan, **lead 100+ community meetings** on public health and digital-fraud awareness.
- **Represented SSB** at the International Workshop on Cross-Border Trafficking, Indo-Nepal Border, jointly organised by MHA and Chanakya National Law University.
