Summary

Strategic Consultant with 5.5 years of experience helping Fortune 500 clients solve complex business problems through structured problem-solving and data-driven insights. Recognised for rapid career progression, leading cross-functional teams, driving repeat engagements, and delivering CXO-level insights that have generated multi-million-dollar business impact.

Professional Experience

Senior Analytics Consultant | Quantzig AI Solutions Pvt. Ltd | Bengaluru, India

Dec 2023 – Apr 2026

- Owned end-to-end delivery, sprint planning and governance across 5+ engagements, ensuring timely execution and stakeholder alignment, unlocking ~\$2Mn in benefits.
 - Cut plant downtime losses: built a prediction tool that reduced scheduled downtime 35% and saved \$500K.
 - Fixed line bottlenecks by reworking scheduling, lifting production volumes 16% (~\$1.2Mn) with no capex.
 - Consolidated 20+ overlapping tools into a governed portfolio, reducing overheads 28% (\$350K annually).
- Fast-tracked to Squad Lead within 12 months vs. a typical 3-year progression, leading and developing a team of 5 analysts.
- Streamlined reporting flows by 40%, enabling access to timely information instead of relying on week-old numbers.
- Translated business priorities into executive KPI frameworks of 15+ measurable objectives, adopted as the standing input to quarterly strategic reviews across 3 functions.

Business Intelligence Engineer | Element Technologies | Bengaluru, India

Dec 2022 – Dec 2023

- Led a 5-member analytics team, delivering end-to-end data and analytics solutions for diverse client engagements.
- Designed and deployed analytics-driven insights and decision-support tools, improving client process efficiency by 30%.
- GenAI Initiative – Pharma RAG-Based Chatbot**
 - Enabled context-aware retrieval of pharma knowledge by designing and developing a prototype across drug manuals and regulatory documents.
 - Validated use cases across dosage, side effects, contraindications and symptom queries, establishing the business case for AI-led pharma knowledge management.
- Partnered closely with client stakeholders to drive adoption of analytics solutions, leading to repeat engagements and sustained business relationships.

Associate | PricewaterhouseCoopers Services LLP | Kolkata, India

Sep 2020 – Dec 2022

- Unified 30+ KPIs across 3 lines of business, enabling visibility into \$1B+ in annual activity and faster leadership decisions.
- Structured 8+ ambiguous problems into actionable insights, driving \$2M+ in client value for a Denmark based client.
- Reduced reporting effort by 60%, saving \$500K+ annually by replacing manual data consolidation with a reporting portal for a US based automotive retailer.
- Supported 6+ client engagements in collaboration with PwC US worth \$1M+, strengthening delivery and stakeholder relationships to drive repeat business.
- Contributed to 5+ project proposals by shaping analytical solutions, estimating effort and resource requirements, and preparing bid calculations to support commercially viable proposals.
- Demonstrated early leadership by mentoring 10+ peer analysts on problem-solving, analytical approaches, and deliverable quality, strengthening consistency and reducing review effort across client engagements.
