Summary

Software Engineer with 4.9 years of experience in frontend development and cross-functional feature delivery within the BFSI sector. Grew from individual contributor to frontend lead on a greenfield fintech platform, driving requirement refinement, team onboarding, and iterative delivery across engineering, QA, and business analyst teams.

Professional Experience

Software Engineer (Grade 6 → 7) | NatWest | Gurgaon, India

- Development Team, Genesis, Transaction Monitoring | Jan 2025 – Apr 2026
- Led frontend delivery for a cross-functional feature team of ~10 (2–3 frontend, 3–4 backend, 3–4 QA), ensuring features were scoped clearly with principal engineers, tasks were assigned effectively, and timelines were met.
- Partnered closely with Business Analysts in iterative requirement refinement cycles and bi-weekly feature demos, ensuring frontend delivery stayed aligned with business expectations before stakeholder showcases.
- Accelerated onboarding of new frontend hires during a period of rapid team expansion, getting them up to speed quickly and maintaining delivery momentum.
- Expanded scope to a full-stack designation in Sept 2025, deepening cross-functional ownership across frontend delivery, ticket refinement with principal engineers, and active collaboration with backend (Java) teams.
- Collaborated cross-functionally to deliver feature increments toward the Genesis MVP, planned for release in June 2026.

Software Engineer (Grade 6) | NatWest | Gurgaon, India

- Development Team, Exodus, Transaction Monitoring | Jan 2023 – Jan 2025
- Delivered complex frontend features on Exodus, collaborating closely with backend engineers to design performant, optimised solutions, gaining strong hands-on React.js expertise across the full development lifecycle.
- Partnered with QA and business analyst teams to ensure feature requirements were clearly defined and delivered to specification.

Education

B.Tech (Computer Science) – *Indraprastha Institute of Information Technology (IIIT)* | Delhi, India

Accomplishments and Awards

- Promoted from Grade 6 to Grade 7 in Sept 2025 through a competitive internal interview process at NatWest, recognising growth from junior frontend developer to frontend lead within 4 years.

License & Certifications

Co/Extra-curricular

- 2 time State Level Gold Medallist in Karate, representing Dehradun District.
