Summary

Chartered Accountant with 7+ years of experience driving strategic finance, regulatory compliance, and controllership across high-growth and global enterprises. Expertise spans multi-entity consolidation, business finance, process improvement, and contract structuring. Certified in CISA, IFRS, BRSR and data analytics, with a strong focus on automation, sustainable finance, and structuring. Delivers CFO-grade insights tailored for scale, agility, and impact.

Professional Experience

Senior Consultant | Deloitte | Pune/Remote

- Identified gaps in fragmented, manual reporting across 30+ acquisitions of a Fortune 500 insurer and redesigned the end-to-end reconciliation process using Cadency platform data models and VBA, delivering daily visibility to client teams, saving 60+ hours annually and improving data consistency.
- Drove working capital tracking across acquired entities; monitored aged receivables and payables, escalated risks to senior stakeholders, and ensured 95%+ balance clearance within integration timelines.

Director | Insight Professionals Private Limited | Ludhiana

- Identified a market gap between traditional CA firms and high-cost consulting giants, conducted 30+ founder and investor interviews, and launched Insight Financials to deliver virtual CFO solutions tailored to fast-scaling startups and SMEs—securing 4+ long-term clients in Year 1.
- Transitioned clients' fragmented financial processes—including bookkeeping, MIS, taxation, and compliance—to automated, cloud-based systems, reducing manual effort by 30% and improving reporting turnaround by 40%, while ensuring compliance and scalability.
- Led financial and regulatory structuring for a Series C-funded startup, advising on FEMA and transfer pricing to support international expansion and investor readiness; simultaneously restructured founder income for other clients, enabling 10–15% annual tax savings.
- Standardized commercial contracts with favorable clauses and implemented internal dashboards, compliance calendars, and trackers, creating operational continuity and risk control frameworks as the backbone of a young consulting firm.
- Positioned Insight Financials as a credible CFO-alternative, introduced ESG readiness and sustainability reporting as future-focused services, and built strategic relationships in the startup ecosystem to generate quality revenue and long-term advisory mandates.

Controller – Financial Reporting | Wipro Limited | Bengaluru

- Led Automated SEBI reporting for Related Party Transactions, reducing turnaround time and saving 100+ person-days annually.
- Discovered actuarial valuation inefficiencies and recommended adjustments that led to ₹10 Cr profit improvement for the group.
- Led preparation and submission of Wipro's standalone financial statements and reviewed complex group-level disclosures across leases, intangibles, and employee benefits.
- Orchestrated financial consolidation for 150+ group entities, strengthening inter-company reconciliation and improving balance sheet accuracy.
- Monitored evolving Ind AS and SEBI regulations, translating technical changes into actionable steps for 200+ internal stakeholders.

Controller – Revenue Assurance | Wipro Limited | Bengaluru

- Managed \$1.6Bn+ revenue across Wipro Capco (\$1Bn), Opus, and 50+ BPO clients, ensuring compliance with revenue recognition under Ind AS 115 and SOX controls.
- Executed SAP Quantum-based revenue process transformation, standardizing revenue tracking and improving system stability across global geographies.
- Automated revenue accrual processes across multiple clients, resulting in 36 person-days of effort saved annually and cleaner month-end closes.
- Led contract reviews across 200+ clients, guiding internal finance teams on revenue recognition, risk clauses, and financial impact mitigation.

Business Finance Manager | Wipro Limited | Bengaluru

- Managed end-to-end financial ownership for a \$100Mn revenue client in the Financial Services vertical, including pricing, revenue, margin tracking, and budgeting.
- Delivered 200+ bps margin improvement through data-led cost optimization in collaboration with delivery heads and account teams.

- Structured and negotiated commercial terms in a \$36Mn TCV deal for a new client, driving financial modelling, rate benchmarking, and risk allocation.
- Secured improved pricing and billing clauses during contract renewals, leading to \$1Mn+ uplift in annual revenue.
- Supported strategic planning by delivering accurate monthly forecasts and margin visibility for a \$400Mn vertical, with <3% forecast variance.

Senior Associate | Vikas Sood & Associates | Ludhiana

- Led internal and statutory audits, secretarial compliance, and government filings for corporates and dormant companies under the Companies Act, ensuring timely reporting and adherence to regulatory standards.
- Managed registration and audit processes for societies and trusts, securing 12AA and 80G certifications, which enabled clients to qualify for income tax exemptions and donor benefits.
- Handled end-to-end income tax and GST functions, including tax audits, return filings, and transition compliances, resulting in accurate reporting and timely submissions across clients.
- Contributed to banking audits and due diligence assignments, delivering detailed reports for financial institutions and helping strengthen client credibility for financing and partnerships.
- Designed and implemented a new MIS reporting system to enhance visibility of key financial metrics, and created VBA automations that saved 7+ person-days annually on recurring regulatory filings
