Summary

A strategic operations leader with over a decade in the Indian Army, bringing deep expertise in intelligence analysis, high-stakes logistics, secure communications, and cross-functional execution across volatile environments. Managed 1000+ personnel and defence assets worth over ₹150 crore, with a track record of success in anti-terror operations, tri-service exercise, supply chain management, and inter-agency coordination.

Professional Experience

Senior Manager (Operations) | Indian Army | Western Theatre

- Commanded 120+ personnel and 39 communication system vehicles worth ₹26 Cr, leading training and operational readiness.
- Directed tri-service deployment during Exercise Trishakti Prahar, managing 126 vehicles and 500+ staff.
- Instituted cyber audit protocols and preventive fault tracking, improving system uptime and ensuring zero breaches.
- Restored operability of TETRA RTS systems worth ₹9 Cr through OEM coordination; led resolution of multi-year legacy issues.
- Managed two additional Charges: canteen operations (profit ↑80%) and Bhopal's 'Yodhasthal' museum (TripAdvisor #1).

Executive Officer to Chief of Staff (Maj Gen Rank) | Indian Army | Western Theatre

- Supported operational planning and decision-making by coordinating inputs from intelligence, logistics, and engineering branches; drafted strategic briefs and ensured timely execution of inter-departmental directives.
- Oversaw the handling of advanced encryption systems and classified communication networks; led a 6-member team to enforce INFOSEC protocols, achieving zero data breaches and full compliance across all operations.

Logistics Officer | Rashtriya Rifles, Indian Army | North Kashmir

- Led ₹17 Cr procurement and annual logistics across 100+ vehicle fleet in cut-off, high-altitude sectors.
- Planned annual winter stocking worth ₹8Cr, ensured vehicle uptime, and managed porter contracts enabling uninterrupted mission operations.
- Implemented COVID protocols for 700+ personnel; managed a school and goodwill projects under Op Sadbhavana worth ₹60 Lakh.

Operations & Administration Officer | Rashtriya Rifles, Indian Army | North Kashmir

- Coordinated all battalion-level operations for a 1400+ person unit; led ₹75 Cr infra projects in mountainous terrain.
- Reduced critical intelligence transmission time by 20%; supervised SHBOs and 8 successful casualty evacuations.
- Instituted predictive procurement for communications equipment, reducing downtime by 50%; led a 40-member tech team.
- Spearheaded 100+ anti-terror ops with LEAs; implemented ₹4 Cr Early Warning System project in VUCA zones.

Intelligence & Analysis Officer | Indian Army | Assam & Arunachal (LAC)

- Delivered intelligence to 1 Corps Headquarters, 5 Division Headquarters, 12 Brigade Headquarters, and 40+ battalions; led 32-person cross-functional team.
- Enabled 11 successful anti-terror ops via predictive analytics and real-time actionable intelligence.
- Led trials and operational fielding of ₹15 crore next-generation intelligence acquisition systems across the North-East, resulting in a 30% increase in actionable data collection efficiency.

Education
